## **BRIEF OF HIS PROFESSIONAL PROFILE**

### ***General description:***

Maurizio Papiri, has begun his activity in 1985. Being the Studio principal activity referred to the International project targeted at tourists hotels area, has his technical staff particularly specialized, where are committed among architects, engineers, designers, decorators and drawers, about twenty people, this fact permits interventions in various areas with themes of architecture and interior design.

All the project activity is directed to the realization of interventions and execution of complex organisms, also at urban scale, luxury furnishing and monumental recover.

The activity is always regarded to the realization of relevant architectonic importance and to well defined international customers.

Some of great names (our customers), of politics, industry, show business, as prince Al Tajir ambassador of the United Arabian Emirates in London, as prince Karim Aga Khan, as the Nederland Queen, as the Moscow Gasprom offices, as Mr. Al Fayed and his son Dody , and many others in the show business as Jack Nicholson, Sylvester Stallone, George Clooney, etc. and then the most important owners of luxury hotels in Europe.

From one year on, the Studio operates in an extraordinary place , because of his central position in the archeological Rome in the slope of the Roman Foro.
